

Coerver Coaching Summer Soccer Camps

Dear Players, Parents, Managers and Coaches,

This is Anthony Didonna the Director of Coerver Coaching Nevada. We would like to thank all of you who have been a regular part of our camps for your continued support. The new Coerver Nevada website address is www.coerver.com just click on **Regions/Soccer Camps and Clinics** and the Nevada link is right there.

This summer we will be offering our intense skills camps, based on high level individual instruction, during the early weeks of July. Our entire Las Vegas Coaching Staff has been given the opportunity to coach in Holland this summer and although it has put a huge dent in our camp plans, we hope that it will result in even better coaching skills for your players in the future.

Camps:		
July 2-6	8:30-11:30 a.m.	Cragin Park/Hyde Park Middle School
July 2-6	6-9 p.m.	Cragin Park/Hyde Park Middle School
July 9-13	8:30-11:30 a.m.	Cragin Park/Hyde Park Middle School
July 9-13	6-9 p.m.	Cragin Park/Hyde Park Middle School

If you could notify your players about this year's camps it would be greatly appreciated. We believe we offer the best training and camp experience around. The opportunity for players to stay at home and train like this is both financially and developmentally beneficial. If you would like to arrange for a team based camp, I would be happy to try and work with you in anyway I can. We have found that when we can focus on a specific age and ability group the benefits are significant.
